ONLY ONE PERSON TO BE ALLOCATED TO CLEAN. If you have not completed the Covid-19 infection control training and forwarded certificate to the club you cannot do any cleaning until you do so.

THE ONE PERSON ALLOCATED TO CLEAN MUST BE FROM THE SAME GROUP YOU TRAINED IN, NO CROSSING OVER GROUPS.

BEFORE TRAINING.

- **MAKE SURE TO WEAR GLOVES SUPPLIED WHEN CLEANING.** Sanitise hands before putting on gloves as well as after you have taken your gloves off.
- **BALLS NEED TO BE CLEANED.** Fill up bucket with water and add dishwashing liquid. Remove balls from clean ball bag and keep away until balls are clean again. Put one ball in at a time and make sure to fully dunk ball in water, use cloth supplied to give the ball a bit of a scrub and put on the ground to dry. Do not dry balls with towel as the detergent needs time on the balls to clean germs.
- **LEAVE WATER IN BUCKET FOR AFTER TRAINING.**

AFTER TRAINING.

- **WEAR GLOVES.** Same procedure as above.
- **CLEANS BALLS.** Same procedure as above.
- **CONES NEED TO BE CLEANED.** Put one cone in at a time, make sure you fully dunk cone in water and give it a bit of a scrub and put on ground to dry. Do not dry cones with towel as the detergent needs time on the cones to clean germs.
- **REMOVE GLOVES AND DISPOSE OF, PUT A CLEAN PAIR ON.**
- **PUT ALL BALLS INTO CLEAN BALL BAG AND PUT ALL CONES ONTO CONE RACK.**
- **PUT CONES AND BALLS AWAY.**
- **TIP OUT WATER FROM BUCKET, PUT USED CLOTH INTO ONE OF THE ZIPLOCK BAGS (GLOVES ARE IN) TO BE CLEANED.**
- **CLEAN THE BUCKET WITH WATER AND DETERGENT OR WITH ANTIBACTERIAL WIPES SUPPLIED. DO NOT DRY BUCKET WITH TOWEL.**
- **COLLECT ALL CLEANING PRODUCTS AND PUT AWAY, REMOVE GLOVES AND DISPOSE OF.**

IF YOU DO NOT HAVE TIME TO CLEAN AFTER TRAINING THERE ARE BIN BAGS PROVIDED TO PUT ALL BALLS AND CONES IN. MAKE SURE YOU SEAL THE BAGS AND WASH WHEN YOU GET HOME. IF YOU PUT DIRTY BALLS INTO THE BALL BAGS, THE BAGS WILL NEED TO BE MACHINE WASHED BEFORE PUTTING CLEAN BALLS BACK IN.
